

SMOKING

Policy statement: Smoking

It is my policy to ensure that children are in a smoke-free environment whilst in my care.

Procedure (how I put the statement into practice)

I will ensure that:

No-one smokes in any room where the children in my care are present or about to be present, either in my home or in any other setting.

No-one smokes in an outside play area when the children in my care are present or about to be present.

If, in exceptional circumstances, the children in my care are expected to use any space that has been used for smoking then I will ensure that there is adequate ventilation to clear the atmosphere.
